<b>Amount Due</b>	<b>\$806.78</b>			

Please remember that this is a rough estimate and does not include extractions! We will not know if extractions are needed until the time of the dental procedure, after we perform x rays. We will contact you during the procedure to let you know if there are extractions or other interventions needed, then get your approval before moving forward. There could be anywhere from \$0-\$1500 or more additional depending on findings.
